

FHA Program (203b)

revised 05/03/2022

Authorized User

Accounts for which the borrower is an authorized user must be included in a borrower's DTI ratio unless the mortgagee can document that the primary account holder has made all required payments on the account for the previous 12 months. If less than three payments have been required on the account in the previous 12 months, the payment amount must be included in the borrower's DTI.
